

# **The One**

## **Fine Blended Whisky**

This is a singular blend of select grain and malt Scotch whiskies from Speyside and Islay with The Lakes Single Malt at its heart. Complex yet balanced with fresh orchard fruits, butterscotch and a hint of smoke on the nose. Deliciously rounded on the palate with vanilla custard, lightly honeyed fruits and a touch of spice. Non-chill filtered for a richer mouthfeel and fuller flavour. Bottled at natural colour, a magical sherry-led blended whisky.

The One enjoys a singular well-roundedness that makes it perfect to savour neat or enjoy as you please, on the rocks, with water, or in a chilled and refreshing highball.
