

STARWARD

FORTIS

Fortis meaning 'brave, bold', is a full bodied, full flavoured whisky that celebrates local Australian ingredients. Bottled at a higher ABV of 50% and non-chill filtered, this whisky is fully matured in 100% American oak red wine barrels, predominately sourced from the Barossa Valley. These barrels, which previously held big Australian bold reds like cabernet and shiraz, offer a fuller and richer mouthfeel to this single malt whisky. Starward Fortis is blended in batches, meaning each batch will be unique but will maintain the core flavour profile and intensity.

TASTING NOTES

AROMA

Very forward aromas of Madagascan vanilla pods, rich toasted American oak, blackberry jam, raisins, caramelised fig, raw sugar and over ripe plums.

PALATE

Rich and full bodied, upfront vanillin, quince paste, Muscadelle raisins, chocolate ganache, cinnamon and baked banana bread.

FINISH

Viscous and long. It really captures the whole palate and balances well with a finish of baking spices from the oak and ripe figs and raisins.
