

# STARWARD

## SOLERA

Solera was our very first Starward whisky.

Made using the traditional solera process means there is a drop of our very first whisky in every bottle.

Matured in Australian Apera barrels, this whisky is a bona fide Starward Australian take on a traditional whisky.

### TASTING NOTES

#### AROMA

Bright tropical and orchard fruits, caramel and vanilla.

#### PALATE

Toasty caramel and creme brûlée, banana, figs and sweet spice.

#### FINISH

Juicy and full with a lingering dry spice.
